

VICTORIA'S TEN HIGHEST PEAKS CHALLENGE

Warby Walkers members are climbing the ten highest peaks in Victoria over a period of several months.

What are the ten highest peaks? The following is based information from Parks Victoria in Bright, as well as Parks Vic maps. The ten highest peaks are open to some conjecture and interpretation. We have not included sub-peaks like Mt Bogong Central and the west peak of Bogong.

Warby Walkers Bushwalking Club

1. *Mt Bogong - 1983 metres*
2. *Mt Feathertop - 1922m*
3. *Mt Spion Kopje(east) - 1893*
4. *Mt. Loch - 1887*
5. *Mt. Nelse - 1884*
6. *Mt. Fainter - 1883*
7. *Mt. Hotham - 1868*
8. *Mt. Jaithmathang (Niggerheads) - 1858*
9. *Mt. McKay - 1849*
10. *Mt. Cope - 1837*

How do members become involved?

As you conquer each peak you can complete the following table.

All you need is for a fellow club member to be able to sign off on each peak that you complete.

You can either complete the walks as part of the club Walks Program or you can complete the walk privately in your own time.
