Sunday 15th May. Flagstaff Range, Gapsted and Clark's Corner, Stanley. Marita, 0427 521 122

Multiple options of a Flagstaff Road walk. The hard and longest walk starts at the Gapsted end of this road, and ends at Clark's corner, a one-way walk. The walk is along a bush road, which is a well-maintained gravel road. The majority of the walk goes through native forest, while the last bit is in plantation. The first 7km of the walk is a steady up hill, with some flatter sections, while the remaining section is mostly flat. Distance of about 15km, with 560m ascent.

The shorter walk is a loop starting and ending at Clark's corner. It'll meet up with the people doing the long walk, and then everyone will walk together to Clark's corner.
