Great views of the urban area, the Murray River and the Alpine Ranges. The walking will be mostly on ridgetops, with a side trip to the adjoining Swainsonia Reserve. <b>AWTGS 3</b></p>
<p><b>Sunday, 7th October. Strathbogies surprise. The walk takes in the historic areas of Bartley's Block – site of former Brewery, and featuring a seasonal watercourse and several dams attracting wildlife. The route provides views over the surrounding plains from high spots on Bartley's Track, and Stringy Bark Track, before reaching Magenta Mine. This area is well worth exploring, before turning west and returning to the Block. If time permits a visit to Chiltern Township where the Annual Stringy Bark Festival is being held that day. <b>AWTGS 3.</b></p>

Bring a soccer ball if you have one, but if not, ball hire is \$5. Kick off will be at 10am, with teams chosen on the day. Match cost is \$10 pp. A grazing lunch for \$15 per person at the nearby Boorhaman Hotel (vegetarians and coeliacs catered for) followed by Melbourne Cup celebrations. Book before Cup Weekend.</p>

<p><b>Sunday, 9th December. Mystery Rocks. Adrian, 5721 5327.</b> In the upper Middle Creek area, high up on an isolated hilltop, are perched several carefully built stone cairns. Are they Aboriginal, Chinese, or a hoax? They have clearly been there over generations of time. Geoff and Adrian will guide you to the location. Wear long sleeves, but not good clothing as the shrubbery is very thick on the steep, but quite short, climb. A good level of dexterity is required initially, but otherwise this is not a difficult walk. BYO lunch which will be at Geoff's bush block in Greta South, and afterwards we will have an exploratory, but easy, walk. When booking, please indicate whether you have a 4WD vehicle available. <b>AWTGS 3.</b></p>
