

Fact Sheet: Week Away – Anglesea

29 March – 5 April 2025

We will be based at Anglesea Family Caravan Park for our 2025 week away.

<https://angleseaadventure.com.au/accommodation/anglesea-family-caravan-park/>

We have reserved 4 cabins; each sleeps 6 people. The cabins have 3 bedrooms with a double bed in one room, and room for 2 people in each of the other rooms.

But if you'd prefer other options such as camping (in tent, van or motorhome), or other cabins in the park, you then need to book them yourself. In that case you need to register for the week away without paying the deposit.

Anglesea is about 350km from Wangaratta. It's located on the Great Ocean Road on the Surf coast, between Torquay and Aireys Inlet. The caravan park sits between the ocean and the Anglesea River, at 35 Cameron Road, Anglesea.

To get there: The most common way to drive is down Hume Hwy onto and past Geelong and onto Great Ocean Road. As you come into Anglesea turn left onto Cameron Road, and the caravan park is on your right.

You can also get there by public transport: Train to Southern Cross, then to Geelong and then towards Warnambool, stopping at Anglesea. This will take you to Camp Road in Anglesea and from there it's 800 M to the caravan park
